he of fendal robbers with armed followers, who do to the work of freebooters, and, now that the imto perial Government is no longer recognized in Ahresinia, the whole country is overrun with the these robber gange. It is true they have not hitherto ventured down the ranges, but, when and they come to know that ammunition-to them ned they come to know that administration the carry-neas so necessary—is to be had simply for the carry-the ingotit off in the passes. I shall not be surprised its's to hear of some ambush being laid, and the throats of a lot of our soldiers being cut on route to Senate. Colonel Dunn, of the 33rd. deserves the "Star of India" for the discipline maintained in his regiment.

The birth of the New Year was ushered by the ships in the bay last night, he on stroke of midnight, by a violent ring. ap ing of bells and vociferous cheering from not some of the yeesels. As the settlement. ious- does not yet boast of a town clock, and much lose- difference of opinion seemed to exist between cer- those on hoard the several ships as to the exact uni- hour of midnight, it so happened that when: ppreone vessel had just finished the celebration of
truth
the happy event another struck " eight bells,"
there and renewed the appear, which was kept up inis- preity nearly to 12.30 s.m. The cheering from ectly some of the ships was most entirelastic, and get the old familiar " Hip, hip, hen-rers h!" came ally pealing over the waters in so heartily national on to a fashion that eleep for the time was out of the eyond question and your correspondent for his part fell dithe musing on all the possible and impossible evenstead finalities for the British nation in this part of ct. or the world, which this new-born year may be abea. destined to witness. Before January 1859, shall ion of our army have advanced to Dabra Tabor; shall an we lit have concountered an enemy en route; shall it vinary have found the prisoners alive and released tions them; shall it have made a prisoner of Theo-to us dore; shall a portion of Abyssinia have been or at permanently occupied by British arms? Any.

harles come realities before this newly-born year ex-Voltaire as a Theologian.

With the irreligious aspect of the French Revolution Voltaire's works had no doubt a closer connection. No doubt his persistent denunciations of every form of Christianity produced a marked effect on the history of the Rerolation. No doubt his constant ridicule of all bjects of popular reverence contributed largely to that ignorant self-anfinciency which was one of the worst features of the revolutionary period. It would, however, be must no use to confine our observations to the had side of Voltaire's antagonism to religion. He was the antagonist, not only of Christianity in general, but more particularly of that special form of it which was a his days dominant in France; and it is impossible to deny, with any appearance of ruth, that if he failed (as no doubt he did) in the attempt to pull up Christianity by the roots, and to destroy its influence amongst mankind, he succeeded triumphantly in compelling the par-ticular Christian Church with which he was concerned to change its position entirely with reference to temporal affairs, to change its posttion, though it could not well change its tone, very fact as to apiritual affairs, and to accept an utterly different position in the world from that in which he found it. When Voltaire was young. the theory of the French monarchy, and of the greater part of Enrope, as to the foundations of civil society and the natural relations between the Church and the State, was the theory of Bossuet. The theory of Locke was the rising bereay of the day. There is at present hardly an important country in Europe in which this is not altogether reversel, in which the State has not become the substantive and the Church the adjective, religious equality the rule, and nothing gest inthe eye privilege, not to speak of persecution, the exception; in which, in a word, men have not come to treat religion practically as a matter of opinion, and not as a system by which opinion is to be governed. No one writer contributed so powerfully to this result as Yolkaire, no event contributed to it so powerfully as the French Revolution; and in so far as Voltaire's ds which writings gave this character to the Revolution. but they gave it a good character, and not a bad one, and they have met so far, not with failure, but with marked and increasing success. How

the first to condemn, we do not inquire; but all just critics ought to admit that he would have advocated precisely those parts of the Revolution which have been blessings to manery muit, kind, and reprobated those which disgraced its progress, and that in doing so he would have acted in perfect consistency with the whole other. It tenor and character, of his career. Fraser's ideas of Maguzine. rary pro-irkabic as

far his inclutious and indecent way of express-

ing himself may have contributed to that part

of the Revolution which he would have been

COMMERCIAL INTELLIGENCE Hongkong, Thursday Evening,

This being the last day of the time birgain operations, some excitement has pervaded the market for Rengal Drug, and in some cases; the Drug has been got from speculators with considerable difficulty. The very brokers who were the Eng- offering to sell New Patna at \$680 to \$6871, were also in the market for the same drug. at \$6921 rent name to \$695, and it is very evident that such operations as these cannot be carried on long. A regular business is made of issuing bargoin chop scrips. for a small consideration, much to the detriwith more ment of legitimate trade, and it rests entirely and, there with the regular importers to countensaice or practical is entertain offers from brokers who dale ld turn the manner, on their own account, justead of confinther band, i ingthemselves to the performance of their orders. already a New Benarca has changed hands at 2675; but inglishmen, at the close higher prices were demanded for it. a by skilled. Old Benares mominally quoted at \$670, with he problem no stock, and Patra sellers at \$6621 to \$665.
